

SCHOOL PERFORMANCE FACT SHEET

In compliance with the California Postsecondary Education Act of 2009, University of the People provides the following Statements of Fact

The Bureau for Private Postsecondary Education (BPPE), as the regulatory body for private postsecondary institutions for the State of California, requires that each institution provide the following information to students, prior to enrollment, as evidence of recognition of the need to address consumer protection:

- Completion rates for each program of instruction;
- Placement rates for each program of instruction;
- License-examination rates for any program to which that statistic is applicable;
- Salary or wage information for each career, occupation, trade, job, or job title, as applicable, for which students are prepared.

Educational programs in which instruction is provided by University of the People are too new to provide data for any of the categories listed above. Therefore, the number of students who graduate, the number of students who are placed, or the starting salaries you can earn after finishing the educational program(s) are unknown at this time. Information regarding general salary and placement statistics may be available from government sources or from the institution, but it is not equivalent to actual performance data.

This fact sheet is filed with the Bureau for Private Postsecondary Education. Regardless of any information you may have relating to completion rates, placement rates, starting salaries, or license exam passage rates, this fact sheet contains the information as calculated pursuant to state law.”

Any questions a student may have regarding this fact sheet that have not been satisfactorily answered by the institution may be directed to the Bureau for Private Postsecondary Education at P.O. Box 980818 Sacramento, CA 95798-0818, <http://www.bppe.ca.gov/>; Phone: (916) 574-7720.
